Mr. Frank Simcic
EH&S Manager
Hukill Environmental Services
7013 Krick Road
Bedford, OH 44146

Dear Mr. Simcic:

On June 20 and 22, 2011, I conducted a compliance evaluation inspection at Hukill Environmental Services (HES), located at 7013 Krick Road, Bedford, Ohio. I inspected HES to determine its compliance with Ohio's hazardous waste laws as found in Chapter 3734. of the Ohio Revised Code (ORC) and Chapter 3745. of the Ohio Administrative Code (OAC). HES was represented by you and Brent Foreman, and the Ohio EPA was represented by me.

This inspection included a facility walk through, review of out-bound manifests and LDR forms, review of in-bound manifests, waste data sheets, weekly and daily inspection checklists, the daily drum inventory log, the daily bulk solvent inventory sheets and the outline for the annual hazardous waste refresher training. I have enclosed copies of the inspection checklists for your records.

No violations of the hazardous waste rules were noted during this inspection.

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.

You can find copies of the rules and other information on the hazardous waste division's web page at: <http://www.epa.state.oh.us/dhwm>. Ohio EPA also has helpful information about pollution prevention at the following web address: <http://www.epa.state.oh.us/opp>.

The former Division of Hazardous Waste Management has created an electronic news service to provide you with updates related to hazardous waste activities in Ohio.
